Encourage Europe – Female investors wanted!

26th March 2024 | 1pm – 3pm

Grand Palais Éphémère, 2 Place Joffre, F-75007 Paris

Dear Community supporting female and social investors,

We are delighted to invite you to be one important actor building the collaboration between female investment networks in Europe and encourageventures which is an association dedicated to bringing more diversity into the European investor and startup landscape.

Please join our event at the **changeNOW** conference within the Women for Change program.

We look forward to sharing with you exclusive insights and the opportunity to connect with female investors and stakeholders driving positive change in the European entrepreneurial ecosystem.
